

Residential Transferable Lifetime Limited Warranty

FOR EZ VALUE, EZ PREMIUM and EZ EXTREME WINDOWS

The Manufacturer warrants to the original purchaser that this product will be free from defects in workmanship for as long as the original purchaser resides in the home in which the products were installed in accordance with the recommendations and specifications set forth by The Manufacturer. This warranty is subject to the limitations and conditions contained herein.

• What is Covered

This warranty covers the normal use of our products against specified defects in material and workmanship directly related to the manufacturing process, and is subject to the terms and conditions of this limited warranty and the exceptions stated below. This warranty only applies to a one or two family house, and other housing accommodations when they are expressly included, all of which are referred to as “house” later on in this warranty.

• Who is Covered

If you comply with the registration requirements, this warranty will cover you as the purchaser of our products for as long as you own and live in the house in which our products are installed. If a new owner complies with the transfer requirements of our limited warranty, it will cover the new owner, provided the new owner lives in the house during the warranty period.

• When does the warranty begin

Your warranty period begins on the date of purchase, provided you return the registration certificate to us. It is attached to our limited warranty. You must register your warranty with us. If you do not return the registration certificate to us, you will not be covered by nor have the benefits of our limited warranty. The date of your sale’s receipt, or contract, or invoice, is your proof of purchase. You must keep your proof of purchase.

• The transfer of our limited warranty

You have registered with us. You then sell your house. At the time of sale you give the new owner our limited warranty and your proof of purchase. The new owner, in addition to living in the house, must complete the transfer certificate and send it to us. Provided

each prior owner has complied with the transfer requirements, each new owner can enjoy the benefits of our limited warranty upon registering a transfer certificate with us. Even if you comply with our three transfer requirements (to wit: possess proof of purchase, file the transfer certificate and live in the house), if a prior owner did not live in the house or did not file a transfer certificate, or the original owner did not file the registration certificate, then our limited warranty can not be transferred. If the transfer certificate is not attached to our limited warranty, then you are to contact us within thirty (30) days after the house transfer, and we will send you a transfer certificate, if our limited warranty is still in force and effect. There is a \$35.00 registration fee for each transfer. If everyone complies with the registration, transfer and residency requirements, our limited warranty can be passed on to as many successive owners who live in the house while the time periods in our limited warranty are in force and effect.
